Watling View School Class Curriculum **Coverage:** Upper School	**Class:** Voyagers	**Term:** Autumn 2	**Theme:** The Supermarket

Functional Literacy — Non-Fiction

We will practise differentiating between fiction and non-fiction, using materials related to the supermarket. We will continue practising our reading and writing in a variety of ways, using sensory trays, mark-making with pens and pencils.

Ways to support at home– practise reading skills while shopping through reading and writing lists, identifying products in the shop and in adverts.

Functional Numeracy – Numbers around us & Money

In our number lesson we are looking at numbers in our environment and money within the context of the supermarket. We will identify different ways numbers are used at the shops including prices, aisles, weights and quantities**.** We will practise using money to pay for things and identify and select appropriate notes and coins for different amounts.

Ways to support at home—identify numbers at the supermarket including which aisle items are kept, quantities needed and costs. Also be able to read the receipts

Enterprise

This half-term Voyagers will have a weekly session with Miral to work on preparation for the Christmas market. This will help pupils develop team-work, communication, planning and enterprise skills.

Independent Living—Cook Your Own

We will be learning about special diets, focusing on vegetarian meals. We will cook macaroni and cheese with a green salad, followed by a healthy fruit salad for dessert.

Christmas Market

This half-term, Voyagers will be working on a project that develops their literacy, numeracy and creative arts skills. They will create and decorate Christmas baubles to sell at the Christmas market! We will work on problem solving and working towards a shared goal.

PSHEEC

This half-term we will focus on roles and relationships within the family and different cultures. We will first identify special people in our lives and how we can engage in positive interactions. We will continue our weekly check-ins where each student has the opportunity to share feelings and concerns 1:1 with supportive communication materials.

Ways to support at home— identify special people and the ways we build positive relationships.

Employability / Independent Living —Accreditation

We are taking part in following ASDAN topics:

- Knowing rules and people who help keep me safe
- Exploring money and asking for help
- Recognising banking and money tasks
- Enjoy hobbies

Employability—Careers Education

We are learning about different key employability skills related to the supermarket. We will play supermarket bingo to identify common shops and use our multi-sensory skills to engage with various media. We will also explore different roles and responsibilities related to the supermarket. This term Voyagers will also start serving snack to other classes in the café!
